Criteria Scorecard - 2023

Eligibility Criteria	
Feasibility of planning	☐ Planning is realistic; activities set against dates ☐ Timeline is clear; deliverables set against dates ☐ Project will begin within six weeks* ☐ Project will not last longer than nine months* ☐ Includes back-up plan
Eligibility of budget	☐ Minimum 20% co-funding (unless applying from a LMIC) ☐ €20.000 maximum requested ☐ No indirect or overhead costs applied ☐ Miscellaneous costs no more than 5% overall ☐ Costs clearly itemized and attributable to activities

Assessment Criteria	Score (0/10)	Explanation
General		
Contribution to KPSRL objectives (1. strengthening relationships, 2. Creating opportunities for (programmatic) learning, 3. Enhanced quality of policy and programmes through connections with knowledge and learning)		
Makes a useful and timely contribution to SRoL knowledges, policy or practice		
Offers deliverables that are accessible and relevant to the wider Platform network, reasonably planned in the given 9 months		
Well-considered and promising uptake plan to inform SRoL ideas, assumptions, programs or policies		
Clearly defines and convincingly explains the change sought		
Project lays the foundation for and/or commitment to a future trajectory		
Originality of the idea or approach		
People concerned are involved in design and implementation of the project; demonstrates local ownership		
General Score	___/80	

Strand-specific Assessment Criteria

Events		
The project identifies specific participants and justifies why their engagement is relevant		
Project provides a clear plan for interaction and meaningful participation		
Events Score	___/20	
Total Score	___/100	

Research		
Research questions are linked to an assumption underlying SRoL policy or practice		
Methodology described is sound, ethical and appropriate for the research question(s) posed.		
Research Score	___/20	
Total Score	___/100	

Innovation		
Clearly shows how the project is pushing a boundary or working 'outside the box'		
Takes a reasonable, experimental risk and demonstrates a clear understanding of the implications of that risk		
Innovation Score	___/20	
Total Score	___/100	

Notes:
